A photograph of a city street scene. In the foreground, several cyclists are riding on a dedicated bike lane marked with white bicycle symbols. To their right, pedestrians are walking on a brick-paved sidewalk. In the background, there are tall apartment buildings, lush green trees, and a clear sky. A dark teal diagonal overlay covers the left side of the image, containing white text.

Priority 1: Equity

Least harm to the most vulnerable

Maintain core services

Improve transit and active transportation

Ensure geographic equity

The background of the slide features a photograph of a city skyline at sunset. The sky is a warm orange, and the city buildings are silhouetted against it. In the foreground, there is a body of water with a bridge and some trees. A large teal diagonal shape covers the right side of the image, and a white diagonal line runs from the top left towards the center.

Priority 2: Climate Accountability

Apply the Climate Lens

Focus on existing communities

Full-scale implementation of climate action plans

Reduce emissions and meet targets

Recommendations:

FUTURE-PROOF RESERVES

OPERATIONAL REDUCTION REINVESTMENT &
CAPITAL REALLOCATION

NET-ZERO UPGRADES

CITY GROWTH DUE DILIGENCE

EQUITY IN REVENUE GENERATION

COST OF LIVING INCREASE
