**Subject:** [EXT] Proposed Commercial Site at Cityscape NE

Hi,

This is Kamran Baloch a resident of 229 Cityscape Common NE, is letting you that I am supporting the potential commercial site in the community of Cityscape NE. I am living in Cityscape for more than three years with my family (wife and three daughters). We want a commercial site where there will be some shops like convenience stores, Gas station etc, to be at walking distance for your family to go and shop for them self at any time without waiting for me to take them. As you know that there is not any kind of community shops in Cityscape so I am supporting the application put forward in City council which will be heard on February 20, 2018.

Please consider my support for the commercial site in Cityscape north east.

Thanks,  
Kamran Baloch

Respected Sir/Madam,

This is regarding the Public Hearing being held on Feb 20, 2018 for Land Use Designation (zoning) at 10011-52 Street NE from Residential to Commercial District.

As a resident of Cityscape community and on behalf of my neighbors and friends living in this community, this rezoning to Commercial would be highly appreciated. This would serve as a focal point for day-to-day shopping needs all in a convenient walking distance.

The other close by communities have their own shopping centers which becomes very convenient for the residents living there. All the amenities such as, banks, convenience store, coffee shops, food chains, etc. are at least a 10 minute drive from the community.

Rezoning approved by the City council would certainly bring convenience to the residents of this community.

Thanks
