Re: West View Area Structure Plan

Dear Mr. Huber,

Please accept this letter of support for the West View Area Structure Plan (ASP).

Qualico Communities, as the managing partner of our landowner group, has been actively involved in this developer funded ASP process. We feel that this is a successful model for the preparation of comprehensive plans, and the final draft of the plan is the result of a highly collaborative effort.

We look forward to the implementation of the ASP for our lands south of Highway 1, and we are currently in the preliminary stages of preparing our initial Outline Plan.

Sincerely,

Ben Mercer, RPP, MCIP
