

Proposed Amendments to the Policy to Guide Discretion  
for Secondary Suites and Backyard Suites

1. The *Policy to Guide Discretion for Secondary Suites and Backyard Suites*, as amended, is further amended:
  - a) Add a new subsection C.1.g. as follows:
    - g. The building mass of a Backyard Suite should be moderated with respect to neighbouring properties using architectural elements such as stepped or sloped rooflines and articulated façades.
  - b) Add a new subsection C.1.h. as follows:
    - h. Relaxation of the maximum building height may be supported to accommodate the peak portions of a sloped roof where the sloped roof reduces the scale and mass of the Backyard Suite.
  - c) Delete section D. in its entirety.
