Disposal of Reserve in Stoney 1 (Ward 3), 12450 - 15 Street NE, SB2019-0080

EXECUTIVE SUMMARY

The disposal of reserve application was submitted by IBI Group, on behalf of the landowner, The City of Calgary, on 2019 March 14. This application is for the disposal of a portion of Municipal Reserve land (Lot 2MR, Block 3, Plan 0811508), the 0.374 hectare (0.924 acre) area to be disposed of is identified as Area 'A' on the attached plan (Attachment 1).

The disposal of the reserve parcel will facilitate a pending land exchange between City of Calgary Transportation Infrastructure and the Parks Department. The disposal of reserve will then allow for the redesignation to a Public Utility Lot (PUL) which can then be exchanged through a subdivision application, for a Municipal Reserve (MR) parcel to be dedicated for an existing regional pathway.

This disposal of reserve application was applied for concurrently with land use amendment LOC2018-0246 (CPC2019-0800) and is also on the 2019 July 04 CPC Agenda.

Disposal of Reserve in Stoney 1 (Ward 3), 12450 - 15 Street NE, SB2019-0080

BACKGROUND

The disposal of reserve application was submitted by IBI Group, on behalf of the landowner, The City of Calgary, on 2019 March 14. As part of their application, an Applicant's Submission outlining their intent was provided (Attachment 2). Prior to the disposal of reserve application being made, the Joint Use Co-ordinating Committee (JUCC) supported the Disposition of Reserve on 2018 April 19 subject to a land exchange to be worked out between City of Calgary Transportation Infrastructure and City of Calgary Parks departments.

The disposal of reserve will allow a portion of the current Municipal Reserve parcel (Lot 2MR, Block 3, Plan 0811508) to then be re-designated as a Public Utility Lot (PUL) for the development of an ATCO pipeline right of way and natural gas feeder to the existing Calgary Transit natural gas facility. In order for the PUL to be created, the disposition of reserve and subsequent land use amendments must occur. A Public Hearing of Council is required for all disposition of reserves.
