RE:
STONE INDUSTRIAL – DISPOSITION OF RESERVE AFFECTING
LOT 2MR, BLOCK 3, PLAN 0811508

Dear Sir or Madam,

Please accept this letter and the accompanying information as a formal application for subdivision approval for a disposition of reserve on lands in Stoney Industrial. This application is to occur concurrently with Subdivision Application SB2018-0407 and Land Use Application LOC2018-0246. Danny Panday is the main contact on this project from Transportation Infrastructure (TI).

The intent of the subdivision and land use application is to create an MR parcel for the existing pathway and the PUL parcel for the ATCO pipeline right of way and surface lease. In order for the PUL to be created, we require the disposition of the reserve parcel (Lot 2MR). Should you have any questions or concerns, please do not hesitate to contact us.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Rares Caraba'.
