

## Applicant's Submission

7 November 2018

This form is to be filled out by the applicant and provided to The City of Calgary at the time of submission. These comments are included in a report which is presented to the Calgary Planning Commission and a Public Hearing of City Council. Your comments **must** be limited to the area designated on this form to ensure it will fit the space requirements of the report. Supplementary information can be provided separately in your application if required.

The proposed S-SPR (MR) follows the fence line of the CNG Facility and extends all the way to the future road on the east side of the project. The S-SPR (MR) will have a legal description of Lot 5MR, Block 5, Plan (to be registered) and will contain 0.267ha including a regional pathway adjacent to the S-UN (ER).

Lot 5MR, Block 5 is being created to partially compensate for a proposed S-SCRI ( PUL) in the existing Lot 2MR, Block 3 south of Stoney Boulevard NE. The proposed PUL (Lot 3PUL, Block 12, Plan to be registered) will contain 0.374ha. and is required to accommodate the ATCO Gas feeder to the CNG Site.

Parks has agreed to the land swap in order for a pathway to be constructed along the north side of Lot 3ER, Block 5; even though it is not the same area (hectares).
