Commissioner Scott	<p>Reasons for Approval</p> <ul style="list-style-type: none">• The proposed use of Place of Worship – Small, is appropriate in this location and compatible with surrounding uses, as well as other uses in the existing building.• In addition, I support Councillor Woolley’s comments made at CPC regarding the possibility of evaluating the base I-B district to review the possibility of adding Place of Worship – Small as a discretionary use. This seems to be a straightforward exercise that could be undertaken through the bylaw sustainment approach with minimal engagement requirements.
