Subject: [EXT] Short term rental concerns

To whom it may concern:

First of all, thanks for giving me the opportunity to speak. The proposed regulations look very good to me. I support it. However, I have some concerns need to be clarified.

There were very high standard requirements on bnb operations.

1. Primary home or secondary housing? We were told if we would run bnb, we as host, have to sell our primary house and stay in bnb house;
2. Parking spot required? From my observation only 50% guests drive vehicles and occupy 2 rooms with one vehicle.

Thank you very much!
