FESTIVAL AND EVENT POLICY

UPDATE ON IMPLEMENTATION

September 3, 2014

The Policy was intended to contribute to fostering:

- an exciting and vibrant range of festivals and events;
- our diverse cultural character and celebrating our living heritage;
- the growth of volunteerism;
- the growth of tourism;
- the attraction of businesses and workers interested in active communities;
- safe communities.

In support of the Policy, Council approved the Festival and Event Subsidy Program (FESP)

Festival & Event Subsidy Program

- **Event Advisory Committee** performs merit review of subsidy requests.
- **Steering Committee** made up of 14 Business Units ensures effectiveness of the program.
- **Interdepartmental Events Team** is responsible for providing technical review of all applications.
