Dear [REDACTED]:

RE: Business Improvement Area (BIA) Request – Beltline BIA

The City of Calgary on June 14, 2019 received a Request to establish a Business Improvement area called Beltline BIA. The City reviewed the contents of the Request and can confirm that at least 25% of the businesses that would be taxpayers if a Business Improvement Area was established, signed the Request. The area associated with the proposed BIA is outlined in red in the map attachment.

If businesses who would be taxpayers within the proposed area wish to object to the establishment of the BIA, they must do so in accordance with the process as established by the section 5 of the *Business Improvement Area Regulation*, AR 93/2016. This office will not provide advice or the form of petition to be used for this process.

If no petition objecting to the establishment of the proposed BIA is received by this office within 60 days of this notice of the Request, Council will consider establishing the proposed Business Improvement Area bylaw based on the Request.

Yours truly,

A handwritten signature in blue ink, appearing to read "Laura M. Kennedy".
