INTRODUCTION

As auditors, we report to the members on the results of our examination of the financial statements of Calgary Film Centre Ltd. (the "Centre") as at and for the year ended December 31, 2018. The purpose of this Audit Findings Report is to assist you, as members of the Board of Directors, in your review of the results of our audit. To facilitate in your understanding of our findings, Appendix A to this report summarizes our audit process.

Our report will discuss the status of our engagement, as well as communicate to you significant audit, accounting and reporting matters arising from our procedures. We hope that this report is of assistance to you, and we look forward to discussing our findings and answering your questions.

ENGAGEMENT STATUS

We have completed our audit of the financial statements of the Centre and are prepared to sign our auditor's report subsequent to completion of the following procedures:

- Receipt of the signed management representation letter;
- Discussion of subsequent events with the Board of Directors;
- Review of any legal invoices received subsequent to year-end; and
- The Board of Directors' review and approval of the financial statements.

We expect to have the above procedures completed and to be able to release our Audit Report on March 13, 2019. Our draft report, which will provide an unqualified opinion, is attached at the end of this report. Our report includes a separate section under the heading "Material Uncertainty Related to Going Concern", our opinion is not modified in respect of this matter.

SIGNIFICANT AUDIT, ACCOUNTING AND REPORTING MATTERS

CHANGES FROM AUDIT SERVICE PLAN

We previously presented our proposed Audit Service Plan to you on September 11, 2018 which proposed \$68,000 as overall materiality for audit planning purposes. Final materiality was calculated based on the Centre's year end results using 3% of gross revenue. This resulted in an overall materiality of \$56,000, a performance materiality of \$42,000 and a threshold for differences included in this report of \$2,800.

There were no other changes from the Audit Service Plan presented to you.

AREAS OF AUDIT EMPHASIS

The following lists the key areas of our audit emphasis for the Centre:

- Disposal of Film Centre;
- Deferred Contributions and Revenue Recognition;
- Expenses;
- Going Concern; and
- Financial statement disclosures.

Detailed information on Areas of Audit Emphasis is included as Appendix B to this report.

FINAL MATERIALITY

Materiality is a concept used to assess the significance of misstatements or omissions that are identified during the audit and is used to determine the level of audit testing that is carried out. The scope of our audit work is tailored to reflect the relative size of operations of the Centre, and is affected by our assessment of materiality and audit risk.

Final materiality used for our audit was \$56,000 for December 31, 2018 and was based on a percentage of gross revenue. Our threshold for differences reported to the Board was \$2,800.

SIGNIFICANT DEFICIENCIES IN INTERNAL CONTROL

Our audit process focuses on understanding the controls utilized in Management's reporting systems to the extent necessary to identify overall and specific financial reporting risks. This risk assessment allows us to concentrate our audit procedures on high risk areas and, where possible, place reliance on controls within the financial reporting system to reduce the extent of our testing.

It is important to note that our assessment was not, nor was it intended to be, sufficient to comment or conclude on the sufficiency of internal controls.

We are required under Canadian generally accepted auditing standards to communicate all significant deficiencies identified during an audit to the Board of Directors on a timely basis. However, we may not be aware of all significant deficiencies that do, in fact, exist.

While our review of controls was not sufficient to express an opinion as to their effectiveness or efficiency, no significant deficiencies in internal control have come to our attention.

DIFFICULTIES ENCOUNTERED

No significant limitations were placed on the scope or timing of our audit.

IDENTIFIED OR SUSPECTED FRAUD

Due to the inherent limitations of an audit and the nature of fraud, including attempts at concealment through forgery or collusion, an audit conducted in accordance with Canadian generally accepted auditing standards cannot be relied upon to detect fraud.

While our audit cannot be relied upon to detect all instances of fraud, no incidents of fraud, or suspected fraud, came to our attention in the course of our audit.

IDENTIFIED OR SUSPECTED NON-COMPLIANCE WITH LAWS AND REGULATIONS

Nothing has come to our attention that would suggest any non-compliance with laws and regulations that would have a material effect on the financial statements.

MATTERS ARISING IN CONNECTION WITH RELATED PARTIES

All related party transactions identified were in the normal course of business and accounted for appropriately in accordance with Canadian Public Sector Accounting Standards for Not-for-Profit Organizations.

GOING CONCERN

During the course of our audit we identified the following issues which may impact the Centre's ability to continue as a going concern:

- It was noted during our audit the Centre's continuation as a going concern is dependent upon the continued support of related parties, generating excess revenue over expenses through increased occupancy, and the ability to generate sufficient cash from operations;
- The financial statements do not reflect any adjustments in the carrying values of the assets and liabilities, the reported revenue and expenses and the statement of financial position classifications used that would be necessary if the going concern assumption were not appropriate should the Centre not be able to continue on in the normal course of business;

As a result of the above circumstances, we are of the opinion that the going concern assumption is appropriate in preparation of the financial statements. The circumstances identified are disclosed adequately in Note 2 of the financial statements and a Material Uncertainty Related to Going Concern paragraph has been added to our auditor's report.

AUDITORS' VIEWS OF SIGNIFICANT ACCOUNTING PRACTICES

The application of Canadian Public Sector Accounting Standards for Not-For-Profit Organizations allows and requires the Centre to make accounting estimates and judgments regarding accounting policies and financial statement disclosures. We have noted the following items during the course of our audit that we wish to bring to your attention.

Accounting Policies

- The accounting policies used by the Centre are appropriate and have been consistently applied.
- No new accounting policies, or changes in accounting policies were applied.

Accounting Estimates

Allowance for Doubtful accounts

- Provision for doubtful accounts receivable is based on individual account balances at the time that all other collection efforts have failed. At December 31, 2018 there was no provision for doubtful accounts receivable.

Amortization of property and equipment

- Buildings and furniture, fixtures and equipment are amortized using the straight-line method at rates intended to amortize the cost of assets over their estimated useful lives. The rates range from two years to 25 years. Land was appropriately not amortized.

Provision for legal contingencies

- No provision deemed necessary.

Financial Statement Disclosures

The disclosures made in the notes to the financial statements appear clear, neutral and consistent with our understanding of the entity and the amounts presented in the financial statements.

MATTERS ARISING FROM DISCUSSIONS WITH MANAGEMENT

We would like to formally acknowledge the cooperation and assistance we received from Management and staff of the Centre and Calgary Economic Development.

There were no significant matters discussed, or subject to correspondence, with Management that in our judgment need be brought to your attention.

SIGNIFICANT DIFFERENCES

A few differences were proposed to Management with respect to the December 31, 2018 financial statements.

MODIFICATIONS TO THE INDEPENDENT AUDITOR'S REPORT

As discussed earlier, our independent auditor's report will provide an unqualified opinion to the Board of Directors.

MANAGEMENT REPRESENTATIONS

We have requested certain written representations from Management, which represent a confirmation of certain oral representations given to us during the course of our audit.

This letter, provided by Management, has been included as additional material to this report.

AUDITOR INDEPENDENCE

We confirm to the Board of Directors that we are independent of the Centre. Our letter to the Board of Directors discussing our independence is included under separate cover from this report.

APPENDIX A – MNP Audit Process

Our audit was carried out in accordance with Canadian generally accepted auditing standards, and included a review of all significant accounting and management reporting systems, with each material year end balance, key transaction and other events considered significant to the financial statements considered separately.

Our audit process focused on understanding the controls utilized in Management's reporting systems to the extent necessary to identify overall and specific financial reporting risks. This risk assessment enabled us to concentrate our audit procedures on the areas where differences were most likely to arise. Our assessment was not, nor was it intended to be, sufficient to conclude on the effectiveness or efficiency of internal controls.

During the course of our audit, we have:

- Examined, on a test basis, evidence supporting the amounts and disclosures in the financial statements;
- Assessed the accounting principles used and significant estimates made by Management;
- Obtained an understanding of the Centre and its environment, including Management's internal controls (regardless of whether we relied on them for the purpose of the audit), sufficient to identify and assess the risks of material misstatement of the financial statements and to design and perform audit procedures;
- Reviewed and assessed those accounting systems deemed necessary to support our audit opinion;
- Evaluated the overall financial statement presentation;
- Performed a subsequent events review with Management;
- Reviewed and assessed the status of contingencies, commitments and guarantees;
- Reviewed and assessed exposure to environmental liabilities.

We have obtained written representations from Management, included as additional materials following this report, in order to confirm oral representations given to us and reduce the possibility of misunderstanding. Specifically, we have obtained written confirmation of significant representations provided on matters that are:

- Directly related to items that are material, either individually or in the aggregate, to the financial statements;
- Not directly related to items that are material to the financial statements, but are significant, either individually or in the aggregate, to the engagement; and
- Matters relevant to Management judgments or estimates that are material, either individually or in the aggregate, to the financial statements.

APPENDIX B – Areas of Audit Emphasis

Disposal of the Film Centre

The Centre sold the Film Centre to the City of Calgary for consideration of \$12.68M per the Agreement of Purchase and Sale, effective October 19, 2018. As a result of the sale, the Centre repaid its construction loans with TD Canada Trust and its parent company, Calgary Economic Development Ltd.

- MNP reviewed the Agreement of Purchase and Sale with the City and vouched the distribution of proceeds to the supporting documentation to confirm debt repayment.
- MNP compared the net book value of the film centre at the date of disposal to the property and equipment continuity to ensure the disposals were properly recorded.
- MNP recalculated the loss on sale of disposal of property and equipment.
- MNP recalculated the recognition of revenue related to the deferred contributions received for the Film Centre.
- MNP reviewed the journal entries related to sale and concluded that the financial information recorded and related financial statement disclosure were reasonably stated.

We have concluded that the disposal of the film centre has been reasonably stated as at December 31, 2018.

Deferred Contributions and Revenue Recognition

The Centre received funds from the Government of Alberta in the amount of \$315k, which was deferred upon receipt. Revenue recognized in the period was \$503k, which was equal to the amount of eligible costs incurred for programming.

- MNP compared the total amount received to the bank deposit to ensure it was accurately recorded.
- MNP obtained supporting documentation of a sample of eligible expenditures and agreed them to invoices and analysed whether the amounts support recognition of revenue based on restrictions of the related funding agreements.
- MNP analysed the Company's revenue recognition policy and determined that revenue is reasonably stated for the year ended December 31, 2018.

We have concluded that deferred contributions and revenue have been reasonably stated at and for the year-ended December 31, 2018.

Expenses

The Centre incurred \$2.46M in expenses during the year (2017 - \$2.54M). Interest on long-term debt, bank indebtedness and amortization decreased a total of \$327k as a result of the sale of the film centre and there was a reduction in event management and marketing expenses of \$36k. These decreases were offset by an increase in project management, operating and utility costs, corporate services and salaries and benefits for a total of \$283k.

- MNP agreed a sample of expense transactions to supporting documents to ensure amounts were complete, had occurred, and were accurate.
- MNP examined legal correspondence and analyzed legal expenses for indications of any pending or threatened or actual litigation.

We have concluded that expenses have been reasonably stated for the year-ended December 31, 2018.

APPENDIX B – Areas of Audit Emphasis *(continued from previous page)*

Going Concern

The financial statements of the Centre have been prepared on a going concern basis. The going concern basis of presentation assumes the Centre will continue operations for the foreseeable future and will be able to realize its assets and fulfill its liabilities and commitments in the normal course of business.

The Centre's continuation as a going concern is dependent upon the continuing support of its related parties, generating excess revenue over expenses through increased occupancy, and the ability to generate sufficient cash flow from operations.

MNP reviewed Management's plan of action and cash flow projections to ensure that it was reasonable to support the going concern basis. MNP reviewed the financial statement disclosure in detail to ensure that all required disclosures were included.

We have concluded that the going concern assumption is appropriate in the preparation of the financial statements.

Financial Statement Disclosure

MNP analysed the financial statements and note disclosure of the Centre to ensure the statement of financial position, statement of operations and net assets, and the statement of cash flows and accounting policies communicate information that is useful to users of the financial statements and is in accordance with Canadian Public Sector Accounting Standards for Not-for-Profit Organizations.

We have concluded that the financial statements and its related disclosures include all appropriate information to ensure that the statements are presented fairly in accordance Canadian Public Sector Accounting Standards for Not-for-Profit Organizations for the year ended December 31, 2018.

Independent Auditor's Report

To the Board of Calgary Film Centre Ltd.:

Opinion

We have audited the financial statements of Calgary Film Centre Ltd. (the "Centre"), which comprise the statement of financial position as at December 31, 2018, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Centre as at December 31, 2018, and the results of its operations and its cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards for Not-for-Profit Organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Centre in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note 2 in the financial statements, which describes matters and conditions that indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian Public Sector Accounting Standards for Not-for-Profit Organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Centre's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Centre or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Centre's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Centre's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Centre's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Centre to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
