RE: Public Hearing October 21, 2019
Agenda item 8.1.6; Policy and Land Use Amendment in Mount Pleasant
LOC2019-0022/CPC2019-1069 at 534, 549 & 542 23 Avenue NW

Your Worship and Members of Council:

I reside at 720 22 Avenue NW and am in support of the proposed land use amendment. In my opinion this is an appropriate location for a medium density multi-residential development. The rezoning would allow for more variety of housing in the community. I urge you to approve the land use amendment.

Sincerely,

Glenda M. Ross
