As a note to Council National bowl and Bridgette bar are owned by concorde group and are supportive. That leaves one business opposed that Councillor Farkas identified. Such a shame.

Subject: Beltline BIA application - business list

Hi Jeromy and Chris,

Here is a listing of the supportive businesses on the BIA application. Anyone in white I did not hear back from, anyone in green is in support, anyone in red is not in support and should not have been included in the application, and anyone in yellow has a note from me regarding their eligibility. I kept all of the e-mails from the business owners I heard back from.

As an item of note, when I was contacting the businesses, many of them were not aware of what a BIA is or does, which also leads me to be concerned over the level of information that these people received during the course of the canvassing on the part of the applicant.
