Please find below my updated letter on the above process:

I am the owner of those lands municipally known as 305 7 Avenue NE, Calgary, Alberta. I have reviewed the plans for the land use redesignation from R-C2 to R-CG and subdivision of those adjacent lands municipally known as 301 7 Avenue NE, Calgary, Alberta, and I do not object to said redesignation or subdivision.

I have been consulted by the Developer (and/or its agents) in respect of the proposed redesignation or subdivision, and I am fully satisfied with such consultation.
