Dear Miguela,

**RE: Request for Street Name Approval in Rangeview**

Please accept this letter as a formal request for the approval of street names within the Rangeview Community, submitted on behalf of Genstar Development Company. The subject lands are apart of the Rangeview Community, which received naming approval by Council in December 2018.

As per the attachment A, the Rangeview Community is sub-divided in 8 sections which have been named upon the name of birds found within the landscape during the Biophysical field work. The theme is selected to respect the species in the area and their habitat. The following is a list of street names:

- Pintail;
- Sparrow;
- Hummingbird;
- Blackbird;
- Mallard;
- Finch
- Blue Heron; and
- Raven;

The main roadways passing through the Rangeview Community and connecting it to the adjacent areas, contain “Rangeview” word in their names, including: Rangeview Street, Rangeview Road, Rangeview Way, Rangeview Gate, Rangeview Common, Rangeview Square, Rangeview Green, and Rangeview Gardens. All the other residential roadways have been named based on the character areas that they are contained in. Please refer to Attachment A.

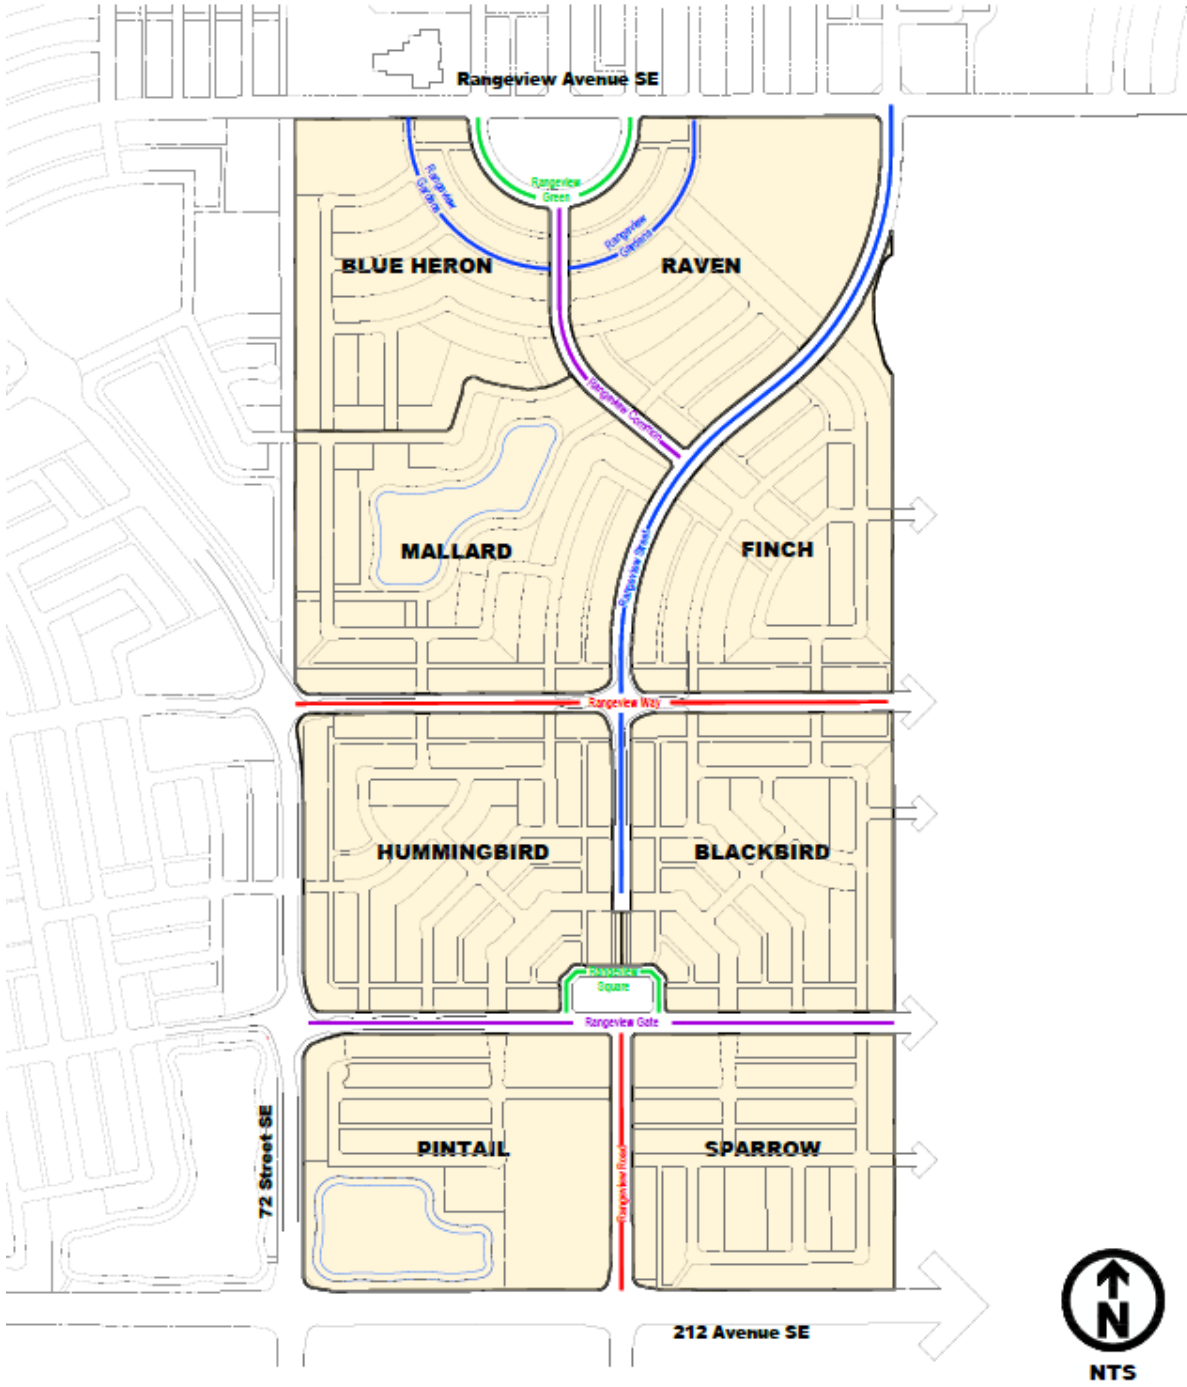

If you require any further information or have questions, please do not hesitate to contact me.

Best Regards,
