

DECIDEDLY JAZZ DANCE CENTRE PROJECT BOUNDARY IN RED OUTLINE

Sofitel Hotel - Vancouver
The Penthouse "Light Box" will create a skyline identity for the project and enliven the area

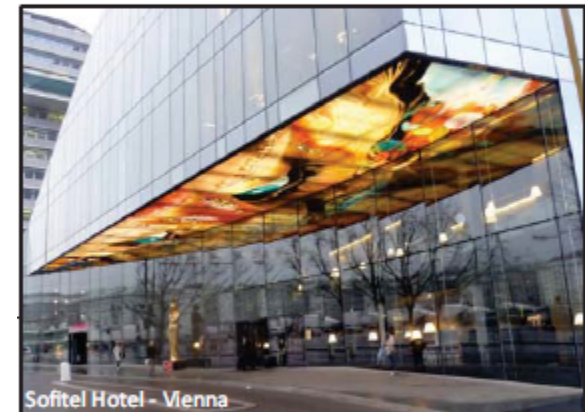

National Ballet School - Toronto
Dance Studio activity visible to the street. Primary class time begins after 5pm providing visual night-time activation to 12th avenue

Major dance studio used on occasion for performances. Lobby activity is visible directly onto the street. During practice times, view will be into the studio. When curtain is down, the space creates a "light box" to the street

Internal sculptural DJD identification

Backlit soffit to emphasize the "theatrical" nature of the Dance Academy

Feature staircase links ground level with primary studio space

Backlit entry portal to celebrate entry
