

**Please note at the 2019 November 13 Standing Policy Committee on Community and Protective Services Meeting, Committee received a signed opinion poll, with 1216 signatures in opposition to banning shisha smoking indoors, with respect to Report CPS2019-1405, Strengthening the Smoking and Vaping Bylaw.**

**As no FOIP statements were included, the opinion poll will not be included in the Agenda package, but has been retained for the Corporate Record.**
