

<b>Technical Content</b>
Item 6 of the Notice of Motion considers the evolution of the CPA Committee to a controlled corporation under the MGA. In doing so, the Committee believes that the Authority can continue to meet its Mandate, but do so in a more effective and efficient manner, if it were a controlled corporation under the MGA. Moreover, CPA Committee believes that the Authority can materially increase the Dividend it returns to The City per year by becoming a controlled corporation under the MGA.
