**MAP 33SS**

**EXECUTIVE SUMMARY**

This land use amendment application seeks to redesignate a single residential parcel from a Residential – Contextual One Dwelling (R-C1) District to a Residential – Contextual One Dwelling (R-C1s) District to allow for either a Secondary Suite or a Backyard Suite as an additional use. The site contains an existing single detached dwelling, to Administration's knowledge there is not an existing suite located on the parcel and the application was not submitted as a result of a complaint.

**PREVIOUS COUNCIL DIRECTION**

On 2013 September 16, Council directed Administration to remove fees associated with land use amendment and development permit applications for secondary suites to encourage the development of legal and safe secondary suites throughout the city.

**ADMINISTRATION RECOMMENDATION(S)**

2017 July 27

That Calgary Planning Commission recommends **APPROVAL** of the proposed Land Use Amendment.

**RECOMMENDATION(S) OF THE CALGARY PLANNING COMMISSION**

That Council hold a Public Hearing on Bylaw 292D2017; and

1. **ADOPT** the proposed redesignation of 0.04 hectares ± (0.09 acres ±) located at 64 Millside Road SW (Plan 8110429, Block 4, Lot 16) from Residential – Contextual One Dwelling (R-C1) District to Residential – Contextual One Dwelling (R-C1s) District, in accordance with Administration's recommendation; and
2. Give three readings to the proposed Bylaw 292D2017.

**REASON(S) FOR RECOMMENDATION:**

The proposed R-C1s district, which allows for one of two forms of secondary suite uses (Secondary Suite or Backyard Suite), is compatible with and complementary to the established character of the community. The proposal conforms to relevant policies of the Municipal Development Plan and will allow for development that has the ability to meet the intent of Land Use Bylaw 1P2007.

**PLANNING EVALUATION**

**SITE CONTEXT**

Located in a low density residential R-C1 setting in the community of Millrise, the site is approximately 14 metres by 30 metres in size and is developed with a one-storey single detached dwelling, one-car parking pad that is accessed from the rear lane. Single detached dwellings exist to the north, east, south, and west of the site.

According to data from The City of Calgary 2016 Census, the following table identifies Millrise peak population and year, current population and the population amount and percentage difference between the peak and current populations if any.

Millrise	
Peak Population Year	2014
Peak Population	7,052
2016 Current Population	6,886
Difference in Population (Number)	-166
Difference in Population (Percent)	-2%

**LAND USE DISTRICTS**

The proposed R-C1s district allows for an additional dwelling unit (either a permitted use Secondary Suite or a discretionary use Backyard Suite) on parcels that contain a single detached dwelling.

Approval of this land use application allows for an additional dwelling unit (either a Secondary Suite or Backyard Suite) to be considered via the development permit process. A development permit is not required if a Secondary Suite conforms to all Land Use Bylaw 1P2007 rules – only a building permit would be required.

We are the registered owners of the property in 64 Millside Road SW.

We would like to apply to change the land use designation of our property to have a legal Secondary Suite in the Basement.

The location is really great in case of access to public transport and Shopping Centers. It is a good opportunity to convert our basement to a legal suite for rent.
