**Subject:** [EXT] Re: [External] Intercare Dalhousie LOC2015-0104

The BDRG is supportive of this collaboratively reached recommendation.

Thank you,

Good morning Cameron and Andrew,

We received the updated Direct Control that we understand both the applicant and BDRG residents group agree to. We also received the letter from Intercare indicating that they are seeking first reading only at this time, with the intent to return to Council for second and third reading pending the tentative approval of a Development Permit. Both are attached here.

Could you each kindly respond to this email to indicate that your respective parties are in agreement? I will then provide the email chain to Councillor Farrell to provide to her Council colleagues.

Please let me know if you have any questions.

Best regards,

Dale Calkins  
Druh Farrell - Ward 7 Councillor
