Please note at the 2019 November 13 Standing Policy Committee on Community and Protective Services Meeting, Committee received a signed opinion poll, with 1216 signatures in opposition to banning shisha smoking indoors, with respect to Report CPS2019-1405, Strengthening the Smoking and Vaping Bylaw.

As no FOIP statements were included, the opinion poll will not be included in the Minutes package, but has been retained for the Corporate Record.
