

Development Permit (DP2020-0302) Summary

A development permit application (2020-0302) has been submitted by Norr Architects on 2020 January 17. The development permit application is for a comprehensive townhouse development consisting of 26 buildings and 87 units. The following excerpts (Figure 1 & 2) from the development permit submission provide an overview of the proposal and are included for information purposes only.

Administration's review of the development permit will determine the ultimate building design, number of units and site layout details such as parking, landscaping and site access. No decision will be made on the development permit application until council has made a decision on this land use redesignation.
