RE: April 1, 2020 SPC on Planning and Urban Development - Item 7.1

Attention Members of Planning and Urban Development Committee,

As a landowner in the Providence area, we are writing to express Dream Development's support for Item 7.1 the Providence Area Structure Plan (ASP). As outlined in the report, the ASP is being brought forward for reinstatement as the Master Drainage Plan has since been completed and accepted by the City of Calgary.

We would like to thank Administration for their diligence and effort since the repeal and are pleased to see this important piece of policy work completed.

Should you have any questions, we would be pleased to respond and have requested time through the Clerk's office given the change to remote attendance.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tara Steell', written over a horizontal line.
