Dear Ms. Stephanishin,

**Reference: LOC2018-0101 Community & Street Name Application**

On behalf of the ownership group of Shane Communities ('Shane') and Slokker Canada West Inc. ('Slokker'), Stantec Consulting Ltd. ('Stantec') is proposing the following street names for approval to use within the LOC2018-0101 Outline Plan in Springbank Hill.

- Springcrest
- Springstone
- Spring Creek (with the exception of Crescent, Drive, Gate, and Lane)

The names follow the consistent naming convention established within the community of Springbank Hill (such as Spring Willow, Spring Valley, Springbluff, etc.). The use of one or more of these prefixes will be easily identifiable from a city-wide perspective as it closely relates to local context. It is recognized there may be a potential concern with Emergency Services using the Spring Creek prefix due to the name being used in Canmore. To ensure potential confusion is alleviated, any streets which may use the Spring Creek prefix within the Outline Plan area will not use an existing street type from Canmore (noted above).

The LOC2018-0101 Outline Plan is anticipated to be at CPC in January 2020. As such, one or more of the street name prefixes (chosen from above) will be assigned a type and reflected on the Outline Plan following CPC approval, coordinated with Addressing.

We respectfully request that the City support the proposed street names for the LOC2018-0101 Outline Plan. Should you have any questions or require any further information, please do not hesitate to contact the undersigned.

Regards,

**Stantec Consulting Ltd.**
