THE CITY OF CALGARY
CITY CLERK'S

I usually wouldn't even blink an eye at such a request, any improvements to the neighborhood; renovations, upgrades, infrastructure, are generally exciting and welcome. However over the past year, I have witnessed multiple visits by the Calgary Police Services. The most recent and noted being June 8, 2017 and June 12, 2017. I have nieces and nephews whom frequent my home and these constant visits raise some concern. I want to feel safe, secure and confident in my neighborhood, on my street and in my home. But coming home to multiple police vehicles on multiple days DOES NOT. I'm confused by the personal request made by the mother in the letter she wrote to the city for her reasons on redesignation, as a family they should be able to cohabitat and if the police are frequenting due to other circumstances I'm not sure if that the type of neighbors I want next to me. We are a quiet mature street friendly street and I want it to stay that way. I might be wrong in my assumption, I just hope these issues can be addressed for everyone's safety and peace of mind. Thank you, Concerned neighbor
