Land Use Re-designation (Secondary Suite) for 66 Citadel Estates Heights NW

To Whom It May Concern,

Please provide your signature of support for a land use re-designation at 66 Citadel Estates Heights NW. The application is on behalf of Robert and Laura Rivett who currently owns and reside at the residence.

Robert and Laura Rivett have renovated the basement at 66 Citadel Estates Heights to accommodate adult children and provide a safe and comfortable home to them as they complete their education and save for their own homes. As the adult children have now left the home, the Rivetts would like to properly re-designate their land and build a legal and up to code secondary suite. In the short term, the suite would be used as a means of income however, as time goes on and is necessary, it is envisioned that the suite will house a caregiver to help the Rivetts achieve their goal of aging in place.

The Calgary Aging in Place Cooperative is a not-for-profit cooperative which aims to support Calgary residents who would like to age in place by providing the services and support needed to do so. Thank you for considering our application and please contact the Calgary Aging in Place Cooperative with any questions at 403.774.7247 extension 2 or by email at lindsay@calgaryaginginplace.ca.

Sincerely,

Lindsay Luhnau
Chair, Calgary Aging in Place Cooperative
