

NOTICE OF MOTION CHECKLIST

The checklist is a tool intended to support the sponsor(s) of a Notice of Motion. The items listed below are important considerations when crafting and submitting a Notice of Motion. It is also intended to support other Members of Council, as the same considerations are important when reaching a decision on a Notice of Motion.

The checklist is therefore an opportunity for the sponsor(s) to:

- consider what advice might be helpful to them in formulating their proposal; and
- share key points about the advice received with their Council colleagues, to inform their deliberations.

This document is recommended to be provided to City Clerks alongside every Notice of Motion and will become part of the Corporate record. It is at the discretion of the sponsor(s) to decide with whom to consult and what information to include.
