Good afternoon,

We are proposing Land use Changes at 2739 16 AV SE from R-C2 to R-CG and 2617 12 AV SE from R-C2 to M-CG. I have attached the associated rationale for both applications and would like to set up a meeting where we can discuss the projects and any relevant concerns that you may have.

We are available to meet at your earliest convenience as we have a Development Permit number for 2739 and are ready to apply for DP for 2617.

Please let me know when you are available and we can set up a time.

Thank you in advance and we look forward to discussing these projects with you.
