Road Closure and Land Use Amendment

Altadore (Ward 11)

South of 46 Avenue Between 17 and 19 St SW

Bylaws 2C2017 and 145D2017

---

**Attention: City Clerk**

RESPONSE TO APPLICATION:

We are responding to the application to request the closure of the portion of land east of 1925 46 Ave. SW, and the subsequent re-zoning of this land to R-C2.

As neighbors of 1925 46 Ave. we use the lane-way to be narrowed (once the parcel in question is consolidated with 1925 46 Ave. SW) as an entry/exit point on a daily basis along with multiple other homes. We are concerned that this thoroughfare will become obstructed.

We would like to assurance and confirmation that once the existing lane-way is narrowed adjacent to 1925 46 Ave. there will be no obstruction to traffic flow and vehicles including those used to accommodate waste and recycling.

I look forward to your response.

Sincerely,

Shamin Punja
