

Supplemental information to Report PUD2020-0968

Background

At the 2020 September 02 meeting of the Standing Policy Committee of Planning and Urban Development the committee requested the results of the third party review of the Airport Vicinity Protection Area (AVPA) boundary be included in the report package proceeding to Council 2020 September 14.

**Re: Amendment to the Calgary International Airport Vicinity Protection Area (AVPA)
Regulation**

This letter is provided further to our letter of support to the Planning & Development Committee of the City dated August 24, 2020 and the meeting of the Committee on September 2, 2020.

The Calgary Airport Authority has had the opportunity to conduct a full review of the adjusted AVPA boundary as proposed by the City of Calgary and are comfortable with the proposal.

Yours truly,

THE CALGARY AIRPORT AUTHORITY
