## **Industry Update on Electricity, Natural Gas and Telecommunications**

### **RECOMMENDATION(S):**

That the Gas, Power and Telecommunications Committee receive this report for the Corporate Record.

### **HIGHLIGHTS**

- The Gas, Power and Telecommunications Committee has requested that this report be prepared every second meeting.
- Natural gas and electricity markets are analyzed to provide an understanding of energy prices which affect The City's utility costs, Calgarians who pay for utility services and franchise fee revenue.
- Policy issues in Alberta's regulated utilities and general utility industry developments that could have an impact on The City's interests are reviewed to keep committee members informed of issues that may require future regulatory intervention or impact The City's operations.
- Attachment 1 provides details on recent developments in Alberta's Utilities industry
- This report is in alignment with the mandate of the Gas, Power and Telecommunications Committee.

### **DISCUSSION**

- In this report the recent Regulated Rates for Electricity and Natural Gas are graphed. City costs for these two commodities are also tracked.
- The remainder of this report consists of analysis on utility and telecommunications topics.
