

## Attachment 4 - Summary of Implementation Activities

As part of the review of the MDP and CTP, several actions were identified to further implementation of the two plans. Note that these are new actions, in addition to many corporate initiatives already underway. This plan is provided as a general guide; initiatives will be prioritized in conjunction with available resources.

Recommended Actions	Initiation Timeframe		
	Immediate (2020)	Within One Calgary (2021, 2022)	Beyond One Calgary (2023+)
