Subject: 505-51ave sw re-zoning

My name is Kevin Maloney and I live at 610 52ave Sw Calgary And wish to strongly object to the proposed re-zoning of the above lot. The proposal does not meet the surrounding r2 zoning and the recent 50 ave ARP redevelopment plan makes accommodations for RCG zoning. As such developers wishing to construct within this zoning should be directed to 50 ave which provides an abundance of opportunities.

Hello:

We are opposed to redesignating 505 51 avenue Sw fro R-C2 to R-CG. The lot is just outside the 50th Avenue corridor. All the residences nearby are at R-C2. With the huge density increase allowed along the 50th corridor, there will be way too many cars parked on the streets. There are a lot already. The friendly character of the neighbourhoods will be effected. There will be added stress on local infrastructure. Allow the density along 50th, but do allow creep outside the corridor.

Best regards

David Garner and Johanne Viens
431 49Ave SW
