Why change?

What's changing

Strengthened collaboration:

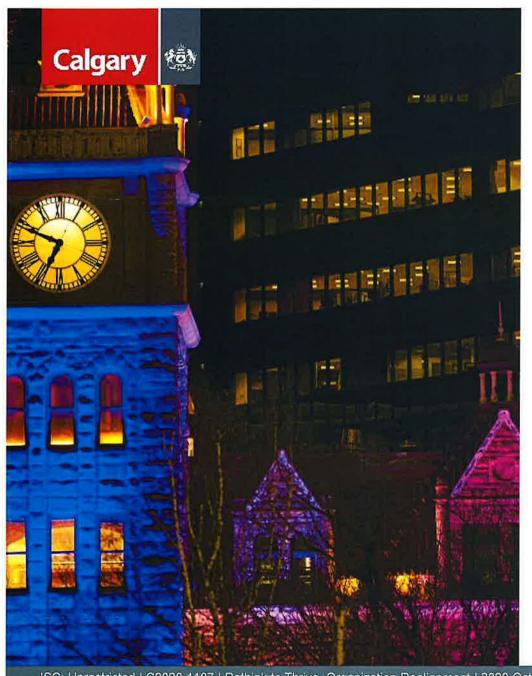

We work together for a common purpose.

Improved coordination:

We work differently to meet the changing needs of citizens.

Greater innovation:

We are transforming our programs, systems and processes to support Calgary's evolution.

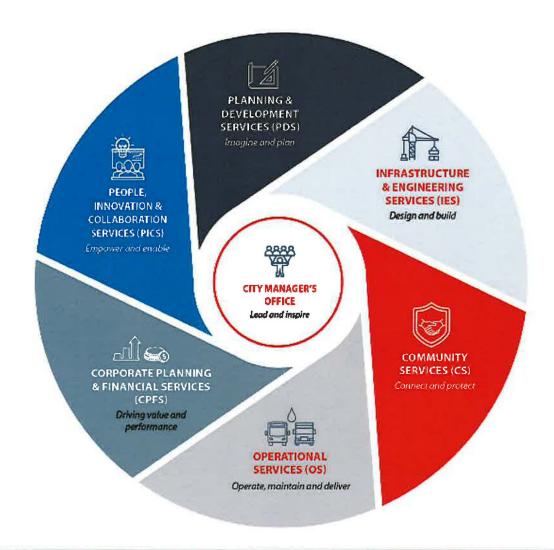

What's not changing

- Our One City, One Voice culture
- Our service-based approach
- Our focus on putting citizens first

How we will be different

Recommendation

That Council:

Receives this presentation for the corporate record.
