

### NOTICE OF MOTION CHECKLIST

The checklist is a tool intended to support the sponsor(s) of a Notice of Motion. The items listed below are important considerations when crafting and submitting a Notice of Motion. It is also intended to support other Members of Council, as the same considerations are important when reaching a decision on a Notice of Motion.

The checklist is therefore an opportunity for the sponsor(s) to:

- consider what advice might be helpful to them in formulating their proposal; and
- share key points about the advice received with their Council colleagues, to inform their deliberations.

This document is recommended to be provided to City Clerks alongside every Notice of Motion and will become part of the Corporate record. It is at the discretion of the sponsor(s) to decide with whom to consult and what information to include.

Title of the Motion:                   **Enabling Construction of Calgary Catholic School District Rangeview High School to Commence**

Other Considerations
<p>The Calgary Catholic School District is facing limits in available High School space across the City of Calgary as a whole, with additional High School space required in Southeast Calgary,</p> <p>Calgary Catholic School District has reviewed their High School Accommodation Strategy over the next 5 years. They will require additional high school spaces above and beyond those they currently have.</p> <p>Based on historical growth rates, they are currently expecting to have a district wide high school utilization of 102% (number of students/ number of spaces) by 2024-2025</p> <p>Rate means they will be operating above 100% utilization city wide (significant concern for CSSD, recently opened proximal high school, All Saints, predicted to be operating at 134% utilization during this time.)</p>

Should be noted that planning for this site was undertaken almost 20 years ago

Projected to serve the needs of Calgary high school students and specifically those living within proximate communities which may include Auburn Bay, Mahogany, Seton, the remaining Rangeview ASP and Ricardo Ranch ASP areas.

Due to financial situation developers

The economic conditions faced by businesses in Calgary during these times means we must make considerations when needed. The Rangeview High School's servicing costs are \$10,707,000 of which \$6,895,000 are City fees and Levies. It does not make sense to expect developers to expend this sort of money and have a site sit idle.
