Dear Members of Planning & Urban Development:

Re: Designation of the Dafoe Terrace as a Municipal Historic Resource

The Calgary Heritage Authority (CHA), in accordance with its role to advise Council and Administration on heritage matters in the City of Calgary, would like to take this opportunity to support the designation of the Dafoe Terrace located in the Beltline as a Municipal Historic Resource.

The Dafoe Terrace is listed on the CHA *Inventory of Evaluated Historic Resources* as a City Wide Historic Resource.

The 1910 Dafoe Terrace is a two-and-one-half-storey, woodframe Georgian Revival Style residential terrace apartment with red-brick cladding. It has a wood-shingled hip roof with dormer windows. The front façade features sandstone quoins, sills and belt course, as well as three prominent grey-brick door surrounds with arched openings and sandstone keystones. The building is located along the busy 12th Avenue traffic corridor in the east part of Beltline formerly known as Victoria Park, one of Calgary's earliest inner city communities. The terrace is situated on the northern edge of the Stampede grounds, across from the 1906 Fairey Terrace, the 1919 Victoria Bungalow School and the 1912 Victoria School extension.

Thank-you for your thoughtful consideration on this matter, should you or your staff require more information please contact our executive director, Josh Traptow at josh@calgaryheritageauthority.com.

Sincerely,

Pam Heard
Chair, Calgary Heritage Authority
