* Subject Mahogany land use redesignation

* Comments - please refrain from providing personal information in this field (maximum 2500 characters)

During the "Neighbours meeting" held by Hopewell, very vague language was used to assurance that the same type of housing would be built on the land directly adjacent to the rear of our property if rezoning is approved. Can the City of Calgary provide any assurance that we will not have a side by side or narrow lot type of housing directly adjacent. ie Sharing a rear fence line.
