Dear Sir or Madam:

I am writing this letter with respect to a Notice received to redesignate the land located at 615-6 Avenue SW from CC-EPR to DC in order to accommodate the additional use of a liquor store.

I am currently living in the East Village and regularly walk/bike/commute to my work. I am concerned with the designation of DC to accommodate a liquor store since there are a number of individuals in the area who are destitute or homeless or may have some mental/addiction issues.

I see the benefits of having a vibrant East Village, with retail space and restaurants. However, on my way to and from work, I will often see some of these individuals consume alcohol or other substances. Having a liquor store readily available in the area would only exacerbate the issue. I already do not feel safe sometimes walking home.

Regards,  
Christina
