Re: Application Notice LOC2020-0139, 615 20 Avenue NW

Priority Level 3 – Neighbourhood

The Mount Pleasant Community Association (MPCA) appreciates the opportunity to submit comments on this Land Use Amendment application. We would like to indicate that we **support** this application.

The MPCA has advocated for and supported the establishment of St. Joseph Park through the leadership of our Dog Park Coordinator Mark Atkinson. We are very pleased with the outcome and look forward to further collaboration opportunities with the City of Calgary.

Sincerely,

Alison Timmins
