

**NOTICE OF MOTION CHECKLIST**

The checklist is a tool intended to support the sponsor(s) of a Notice of Motion. The items listed below are important considerations when crafting and submitting a Notice of Motion. It is also intended to support other Members of Council, as the same considerations are important when reaching a decision on a Notice of Motion.

The checklist is therefore an opportunity for the sponsor(s) to:

- consider what advice might be helpful to them in formulating their proposal; and
- share key points about the advice received with their Council colleagues, to inform their deliberations.

This document is recommended to be provided to City Clerks alongside every Notice of Motion and will become part of the Corporate record. It is at the discretion of the sponsor(s) to decide with whom to consult and what information to include.

Title of the Motion: **Restrictive Covenant at 6 New ST SE**  
**No More Blank Walls on Public Spaces V2.0**

There are two classifications of a Notice of Motion (Check the one that applies):

- Regular
- Urgent (Include details in Urgency Rationale box below)

Is this Notice of Motion Confidential? (Include details in Procedural box below)

<p><b>Financial and Other Resource Capacity</b></p> <p>This is cost-avoidance, property tax base-enhancing work that Council has previously directed but which has not been successfully undertaken yet. This motion seeks to solve a one-off issue that has been created by the failure to address this issue at a systemic level and directs administration to complete the work of developing a systemic solution.</p>
<p><b>Legal / Legislative</b></p> <p>The Law Dept is aware of this work and how the Guidebook for Great Communities has the ability to systemically solve this issue.</p>

<b>Urgency Rationale</b>
It should not take a year to provide approval for a single detached dwelling simply because it is seeking to face a City park with windows. Any further delays will result in this application taking more than a year to be approved.
