RE: 460 19th Avenue NE

Dear Trent Letwiniuk,

I write to you on behalf of the Winston Heights-Mountview Community Association Planning & Development Committee, the neighbourhood in which the above address has the intent to apply for a LOC from R-C2 to R-CG.

The Winston Heights-Mountview Planning and Development Review Committee has reviewed and discussed this Land Use Change and felt this re-zoning makes sense on that site and it aligns with the communities ARP.

Please accept this letter of support from The Winston Heights Planning & Development Committee for the Land Use Change. Please note this does not reflect support on the final Development Plan/Permit and the committee will provide comments at the time of circulation.

If you would like more information or would like to discuss further, please do not hesitate to contact me.

Thank you,

A handwritten signature in cursive script that reads 'Kris Webb'.
