

HEALTH IMPACT ASSESSMENT UPDATE

EXECUTIVE SUMMARY

The Health Impact Assessment (HIA) update is a presentation that addresses the original motion arising's intent, which was to inform Council on the HIA approach including healthy planning principles. The presentation will highlight the following: the connection between the built form, planning and health as it pertains to the development industry and other stakeholder groups; what a HIA is and how it can be used as a tool for decision making through the example of the 8 Healthy Planning principles that were the result of the HIA from the Nose Creek Area Structure Plan.
