

CBEC Board Governance and Oversight

MISSION: To objectively recommend to City Council whether or not there is merit for Calgary to submit a bid to the COC/IOC to host the 2026 OPWG

Vision – (to be developed through the work of the working groups) Why (Not) Bid?

	Venues (Master Venues/ Facilities Plan)	Security	Finance & Investment	Public Engagement and Com- munity Impact	Government & Stakeholder Relations
Mandate <i>(This sub-committee will do what?)</i>	Developed concept and feasibility plans for sports venues, villages, accommodations, media facilities, transportation, support and training facilities including cost evaluation and funding/financing options.	Examine/support the development of security requirements plans/logistics and for sports venues, villages, accommodations, media facilities, transportation, support and training facilities including cost evaluation and funding/financing options.	Examine the Business Case for hosting the 2026 OPWG and support the development of a prospective Business Plan focusing on the net economic impact, both short and long term, resulting from the construction, staging and operations associated with bidding and hosting the Games.	Examine the impact on communities through stakeholder and public engagement - locally, provincially and nationally of bidding and hosting the 2026 OPWG Review the short term and long term impacts and opportunities from social, environmental, cultural and economic perspective.	Identify all impacted groups (outside of governments), support engagement of those groups to determine issues and level of support for a bid, strategies to garner support. In collaboration with The City of Calgary (per the Funding Agreement) gauge the level of commitment of the Canadian Olympic Committee, the Government of Alberta and the Government of Canada to support a Calgary bid and any associated conditions.
