Bylaw 24D2021

Regarding the Concurrent applications for the land at 2002 51 Ave SW.:

I own property within 4 Blocks of the subject property and at no time have I received notice of these applications. It came to my attention on Feb 1, 2021 upon noticing 1 sign only posted by the Company 'Civic Works'. At that time NO City Signs were on the site (see attached photo's)

Civic Works representative Liam Murphy advised me that mailings were done to 150 M (+ -) around the proposed site. That is very limited transparency to other home owners outside of that 150 M area. Only recently do I now see the City has a Sign on this property although the Planner Derek P. stated they were installed last November 2020.

Therefore I would request an extension to the time for filing objections before Council be considered.

North Glenmore has provided a quality lifestyle for myself and my family since 1968 and although changes have been made there needs to be a limit to those changes and respect for those who have contributed to the area over a lifetime.

Photos sent to Liam Murphy, planner, Civic Works.
