That Council give three readings to **Proposed Bylaw 27D2021** for the redesignation of 0.05 hectares \pm (0.12 acres \pm) located at 2004 - 10 Avenue SW (Plan 5700AG, Block 231, Lot 13) from DC Direct Control District to DC Direct Control District to accommodate the additional use of Kennel – Urban, with guidelines (Attachment 2).

HIGHLIGHTS

- This land use amendment application seeks to redesignate the subject property to allow for the additional use of Kennel – Urban, in addition to the permitted and discretionary uses of the current DC.
- The proposal allows for the use of Kennel – Urban to accommodate overnight stay of pets. It is in keeping with the applicable policies of the use in the *Municipal Development Plan* and the *Sunalta Area Redevelopment Plan*.
- What does this mean to Calgarians? Additional services that are not traditionally offered locally, within the community of Sunalta, and within walking distance to the Sunalta LRT Station.
- Why does this matter? The proposal enables more private investment in Calgary to reflect changing demands within the community of Sunalta.
- No development permit has been submitted at this time, but the applicant has indicated their intention to expand their business to provide kennel services.
- There is no previous Council Direction regarding this proposal.
- Strategic Alignment to Council's Citizen Priorities: A prosperous city.

DISCUSSION

This land use amendment application was submitted on 2020 October 14 by business owner Kim Kilback of Central Bark Doggy Daycare, with consent of the landowner, The City of Calgary. Central Bark Doggy Daycare currently leases this property from the City of Calgary.

The 0.05 hectare midblock site is located on the north side of 10 Avenue SW, and is directly adjacent to Canadian Pacific Railway track in the southwest community of Sunalta. The site is currently functioning as a doggy daycare, with the proposed application seeking to expand the services that can be offered. The proposed DC Direct Control District (Attachment 2) allows for Kennel – Urban as a discretionary use within the existing building. The proposed DC is based on the existing DC which was developed specifically for the community of Sunalta along 10 Avenue SW. No development permit has been submitted at this time, however, as noted in the Applicant's Submission (Attachment 3), the intent is to expand the services offered on-site.
