

NOTICE OF MOTION CHECKLIST

The checklist is a tool intended to support the sponsor(s) of a Notice of Motion. The items listed below are important considerations when crafting and submitting a Notice of Motion. It is also intended to support other Members of Council, as the same considerations are important when reaching a decision on a Notice of Motion.

The checklist is therefore an opportunity for the sponsor(s) to:

- consider what advice might be helpful to them in formulating their proposal; and
- share key points about the advice received with their Council colleagues, to inform their deliberations.

This document is recommended to be provided to City Clerks alongside every Notice of Motion and will become part of the Corporate record. It is at the discretion of the sponsor(s) to decide with whom to consult and what information to include.

Urgency Rationale

Starting the week of February 15, 2021, the Government of Canada has indicated that COVID-19 vaccine availability will significantly increase. Vaccine distribution is within the jurisdiction of the Province of Alberta. The Government of Alberta has undergone a phased immunization program to deliver COVID-19 vaccinations to Albertans safely and effectively as possible and is actively working to identify sequencing in Phase 2 of the distribution program. Given that there has not been a clear indication of when the vaccination program will be available to the City of Calgary's essential workers, it is timely and urgent that Council advocate that they be included in Phase 2 of the program.
