Subject: 15 Street SE Road Closure: City Council Public Hearing item LOC2015-0161

Cllr. Carra

Following on from the correspondence between your office and my team over the past few days, I formally request the postponement of the City Council Public Hearing for item LOC2015-0161: 15 Street SE Road Closure.

You have made us aware that several businesses have expressed concern over the permanent closure of 15 Street SE following the approval by CPC in November 2016 and the subsequent issue of the Public Notice in December. We therefore believe it is prudent to allow more time to engage your office and those affected ahead of returning to Council with this item. At the moment, we are unsure when this item will return to Council as it will depend largely on the outcome of the engagement, but we hope it will be sometime in the Spring.

Thank you for bringing these concerns to our attention and I look forward to continued dialogue with your Office in the next few weeks. Should you have any questions, please contact me.

Sincerely,
Andy
