Attention: Wallace Leung, (Planner, South Area)

Dear Mr. Wallace Leung

Thank you to the City of Calgary in support of this application. The purpose of this letter is to confirm, that we at the Mustard Seed and First Alliance Church have made engagement efforts in approaching the adjacent neighbours surrounding the subject site, to make them aware of the Land Use Re-designation for the temporary shelter. Due to the current pandemic and in accordance to safe practice, we took extra measure to ensure that everyone in the neighborhood are aware of this application. A sign is posted on site earlier in November (Attached), with the proposed Land Use and our contact information. In addition, Mustard Seed website have some information regarding the temporary shelter and the person to contact for all questions.

We recently contacted three Community Associations – McKenzie Towne Community Association, McKenzie Lake Community Association and Douglasdale Community Association. We heard back from one of the communities with no concern but reiteration of support for the project.

Please don't hesitate to contact me if you have any questions.

Yours sincerely,

DONALD JAMES LLOYD
