Community Outreach for Planning & Development Applicant-led Outreach Summary

What did you hear?

Provide a summary of main issues and ideas that were raised by participants in your outreach.

The main concerns we heard from local residents and community association are: increased traffic, parking issues, increased density, height, shadow effects, privacy and safety.

Some people also express concerns over property value and crime.

How did stakeholder input influence decisions?

Provide a summary of how the issues and ideas summarized above influenced project decisions. If they did not, provide a response for why.

Although the application is for M-CG, the plan is to follow exactly the R-CG bylaw except with slightly higher density factor. This corner lot is an ideal place for grade oriented 3 units row house and the bylaw restriction will handle those concerns.

How did you close the loop with stakeholders?

Provide a summary of how you shared outreach outcomes and final project decisions with the stakeholders that participated in your outreach. (Please include any reports or supplementary materials as attachments)

Continue engage with Councillor office and community association. And better explain to local residents about proposed developments and restrictions under bylaw.
